

ESG Investing Announces Award Winners

London – 4 February 2021 – [ESG Investing](#) has announced the winners of its 2021 awards, celebrating the best in Environmental, Social and Governance (ESG) research, ratings, funds and products.

The ESG Investing Awards, now in their second year, are judged by an independent panel of experts from industry and academia. The Awards celebrate the most impactful products, funds and initiatives that are making a positive contribution towards the integrity, uptake and success of ESG investing.

Matthew Clements, editor of ESG Investing comments, “Allocation of capital has a crucial role to play in tackling the climate crisis and in addressing challenges to biodiversity, as well as central themes relating to human rights and equality. Our Awards celebrate leaders in ESG who are investing and developing products that continue to enhance sustainability and sustainable investing. Thank you to our judges and congratulations to our winners, runners-up and finalists.”
